Chicago, Oct. 4.—Jimmy Ring, by pitching phenomenal ball today, held the White Sox scoreless while his teammates, profiting by the home club's errors, amassed two runs and won the fourth game of the World's Series, by a score of 2 to 0. With the exception of his fielding errors, Cicotte also pitched well, but his twirling was by no means of the quality served up by the Cincinnati pitcher.

The Sox got three hits off Ring's delivery while the Reds hit Cicotte safely seven times. Both of Chicago's errors are charged to their pitcher, while two Cincinnati fielders erred.

The total attendance was 34,363; gross receipts, exclusive of war tax, \$97,807; players share, \$52,815.78; clubs' share \$35,210.52 national commission's share, \$9,780.70.

Comiskey Park, Chicago, Oct. 4.—The Cincinnati band that could not get into the park yesterday appeared at 1:35 and marching on the field made the circle and was cheered to the echo by the bleachers. An airplane hovered overhead flying as low as was safe from the crowd.

Cicotte began warming up at 1:50 for the Sox, while Ring was doing the same thing for Cincinnati. The umpires appeared at 1:55 p. m. Batteries for Chicago Cicotte and Schaik; for Cincinnati Ring and Wingo.

The line up:

Collins, Rath was forced by a toss to Risberg, who relayed to Gandil, hitting Daubert for a double play. Groh popped to Risberg. No runs, one hit, no errors. The sun had gone in behind gathering clouds and a rather stiff breeze sprang up.

Sox—Liebold sent Ring's first offering into the grandstand by fouling it off. The second ball went in the same direction. Liebold sent a high fly in back of first that Daubert backed up for and captured. Ed Collins popped a high one to Rath. Weaver fled to Neale. Ring kept the ball over the inside corner and all of the outs were easy flies. No runs, no hits, no errors.

Second Inning
Rath—Rousch lifted a high one that Jackson easily gathered in. Duncan popped out to Ed Collins. It was high but easy for the Chicago second baseman. Schaik went clear to the grandstand to get a foul from Kopf's bat, but the ball went into the stand by a few inches. Kopf fanned. No runs, no hits, no errors.

Sox—Jackson took a healthy swing at the first ball pitched but missed it. Jackson doubled to center. It was a high fly that Rousch misjudged at first running back and then forward madly but missing. Felsch sacrificed, Ring to Rath, Jackson taking third. Rath covered first base on this play. Gandil popped to Groh in front of the batter's box. Jackson taking third. Risberg flied. Risberg stole second. Schaik was intentionally walked, filling the bases. Cicotte out Rath to Daubert. Rath came far over to get the ball and made a pretty play of it. No runs, one hit, no errors.

Third Inning
Rath—Neale was out, Weaver to Gandil. It was a grounder that Weaver handled cleanly. Wingo sent a Texas league single over second that neither Felsch nor Ed Collins could get to. Ring attempted to sacrifice but fouled it off. His second effort also went foul. Ring fanned, taking a swing at the final strike but missing. Rath up. Jackson was playing well in and would have got the foul had it been outside the bleachers. Wingo out stealing. Schaik to Ed Collins. No runs, one hit, no errors.

Sox—Liebold drove a long fly that Neale took care of. Ed Collins was hit with the first ball pitched and trotted to first. Weaver out on a grounder to Daubert, the latter making the play unassisted. It was not a sacrifice. Jackson was safe when Rath fumbled his easy drive. E. Collins going to third. Felsch out Groh to Daubert. No runs, no hits, one error.

Fourth Inning
Rath—Rath up. The ball hit Umpire Quigley on the leg but he was on foul ground at the time. Rath lifted an easy one to Jackson. Daubert laid one in front of the plate but was out Schaik to Gandil. Groh line flied to Ed Collins. No runs, no hits, no errors.

Sox—Gandil up. Both pitchers were working in almost perfect form. Gandil sent a high foul that Daubert took care of. Risberg flied to Neale, who captured it easily. Schaik hoisted a high fly that Kopf took in back of third. No runs, no hits, no errors.

PHONES MUST GO BACK TO OLD RATE

Council Again Refuses To Permit Company To Continue War-Time Rate Increases

After a lengthy discussion of the telephone situation in Richmond at the special meeting of the City Council Friday night, the council voted 4 to 1, to refuse to permit the Cumberland Telephone and Telegraph Company to continue the war-time rates, after December 1st. This means that the present increased rates must be reduced back to what they were before the war, after that date.

City Attorney J. P. Charnault, who was a member of the investigating committee sent to look into the books of the phone company, was ill, and could not be present. The other two members of the special committee did not agree in their reports. Councilman O'Neil recommended that the phone rates be reduced. Councilman C. B. Terrill said that the company's books showed that it is losing about 1 per cent a year on its investment here, and he felt that it should be entitled to make a reasonable profit on its investment.

Attorney J. J. Greenleaf, representing the telephone company, went over the situation from the company's standpoint, and claimed that the company is entitled to make 6 per cent on its investment of about \$12,000 in Richmond. He said that the company any other business enterprise. Councilman Robert Golden said he understood that the company was to make improvements in the service in Richmond, but he could not see where that the company had spent any money for improvements or material, during the time it was claimed that higher prices for materials and supplies made the increased rates necessary.

The arguments were rather extended, and covered much ground but the majority of the council could not be convinced that the company is entitled to increased rates with the present sort of service, so voted 4 to 1 as follows: against the increase, Councilman Golden, Mereson, Allman O'Neil; for the increase, Councilman Terrill. Councilman Powell was not present.

Fifth Inning
Rath—Rousch was out, Schaik to Gandil; the ball rolling half way to the pitcher's box. Duhan was safe when Cicotte threw his drive wide to first the ball going to the stands and Duncan reached second. Kopf singled to left and Duncan stopped at third, but scored when Jackson threw wild to the plate. Kopf reached second. The official scorer gave Cicotte the error for muffing Jackson's throw. Neale sent one over Jackson's head and Kopf scored. Neale reached second. It was a two bagger. Wingo out, E. Collins to Gandil, Neale going to third. Ring drove a vicious drive that E. Collins got and threw him out at first. Two runs, two hits, two errors.

Sixth Inning
Rath—Cicotte out, Daubert to Ring. Daubert went back and got the ball while Ring hurried and covered the bag. Groh threw wild after taking Liebold's grounder, the ball going to the stand and Liebold reached second. E. Collins up. Ring's next pitch hit the ground in front of the plate. E. Collins drove to Groh, who caught Liebold between the sacks, throwing to Rath and the latter getting the put out. E. Collins on first. Weaver drove a grounder to Daubert at first, the latter only having to step on the bag to make the out. No runs, no hits, no errors.

Seventh Inning
Rath—Rousch out, Ed Collins to Gandil. It was an easy grounder. Weaver made a great stop of Duncan's fast drive and got him at first with a pretty throw. Kopf flied, Risberg to Gandil. No runs, no hits, no errors.

Sox—Ring hit Schaik with the third pitched ball and the latter hurried to first. Cicotte lifted a high fly to Rath, Schaik holding first. Liebold hoisted to Rousch, who had no trouble in capturing it. Groh took E. Collins' grounder and retired him with a throw to Daubert. No runs, no hits, no errors.

Eighth Inning
Rath—Cicotte threw out Neale at first. Wingo drove a single through the box, it rolling to center field. Ring again attempted to sacrifice but missed the first ball. Ring forced Wingo, Cicotte to Risberg, who relayed the ball to Gandil, getting Ring and completing a double play. No runs, one hit, no errors.

Sox—Rath made a great run and a great catch of Weaver's high fly near the foul line. Jackson dropped a high foul near the left field line that none of the fielders could get to. Jackson fanned, taking a terrific swing at the third strike. Felsch swung at both of his but missed. Felsch singled to left. It was a line drive. Gandil fanned, the third strike being called. No runs, no hits, no errors.

Ninth Inning
Rath fouled to Schaik. Jackson gathered in Daubert's fly. Schaik got Groh's high foul by leaning over into the grandstand boxes. No runs, no hits, no errors.

Sox—Ring threw out Risberg at first. Schaik walked. Murphy batted for Cicotte. Murphy line flied to Rousch. Schaik on first. Liebold lined to Groh. No runs, no hits, no errors.

Tenth Inning
Rath—Rousch lifted a high one that Jackson easily gathered in. Duncan popped out to Ed Collins. It was high but easy for the Chicago second baseman. Schaik went clear to the grandstand to get a foul from Kopf's bat, but the ball went into the stand by a few inches. Kopf fanned. No runs, no hits, no errors.

Sox—Jackson took a healthy swing at the first ball pitched but missed it. Jackson doubled to center. It was a high fly that Rousch misjudged at first running back and then forward madly but missing. Felsch sacrificed, Ring to Rath, Jackson taking third. Rath covered first base on this play. Gandil popped to Groh in front of the batter's box. Jackson taking third. Risberg flied. Risberg stole second. Schaik was intentionally walked, filling the bases. Cicotte out Rath to Daubert. Rath came far over to get the ball and made a pretty play of it. No runs, one hit, no errors.

Eleventh Inning
Rath—Neale was out, Weaver to Gandil. It was a grounder that Weaver handled cleanly. Wingo sent a Texas league single over second that neither Felsch nor Ed Collins could get to. Ring attempted to sacrifice but fouled it off. His second effort also went foul. Ring fanned, taking a swing at the final strike but missing. Rath up. Jackson was playing well in and would have got the foul had it been outside the bleachers. Wingo out stealing. Schaik to Ed Collins. No runs, one hit, no errors.

Sox—Liebold drove a long fly that Neale took care of. Ed Collins was hit with the first ball pitched and trotted to first. Weaver out on a grounder to Daubert, the latter making the play unassisted. It was not a sacrifice. Jackson was safe when Rath fumbled his easy drive. E. Collins going to third. Felsch out Groh to Daubert. No runs, no hits, one error.

Twelfth Inning
Rath—Rath up. The ball hit Umpire Quigley on the leg but he was on foul ground at the time. Rath lifted an easy one to Jackson. Daubert laid one in front of the plate but was out Schaik to Gandil. Groh line flied to Ed Collins. No runs, no hits, no errors.

Sox—Gandil up. Both pitchers were working in almost perfect form. Gandil sent a high foul that Daubert took care of. Risberg flied to Neale, who captured it easily. Schaik hoisted a high fly that Kopf took in back of third. No runs, no hits, no errors.

**FIRST BREACH IN
STEEL STRIKERS' RANKS**
(By Associated Press)
Admission by union leaders of defection from the ranks of the strikers in the Chicago and Bethlehem districts was the principal development today in the steel strike. There is no indication thus far of a compromise on either side over the main point at issue, the right of employees to engage in collective bargaining through unions affiliated with the American Federation of Labor. In the Pittsburgh and Youngstown districts there was no material change in the situation. At Washington the Senate Labor Committee resumed its investigation of the strike. T. J. Davies, of New Castle, Pa., a tin worker, was the first witness. He characterized the activities of union organizers as having "all the elements of conspiracy."

Washington, October 4.—President Wilson had a somewhat better night White House officials said this morning.

His temperature and pulse are normal and the patient is said to be cheerful, although becoming somewhat restless. ONLY \$2,500 NEEDED FOR WHITE WAY

Only about \$2,500 more is needed to assure the White Way for Richmond, according to a statement made at the special meeting of the City Council Friday evening by Mr. McLellan, of the Kentucky Utilities Company. He has been canvassing the situation here this week, and said that he had met with a liberal response from a majority of the business men of the city. He felt that a strong local committee might be able to make up the balance of the amount required, which is \$7,500, with which to purchase iron posts and lights. The council voted for appointment of special committees by the Mayor to do further soliciting for subscriptions.

Richmond rans who attended the world's series base ball games in Cincinnati this week, had opportunity to see the exact type of light which is proposed to be placed on the streets here, on a number of Cincinnati's main business thoroughfares. All were greatly impressed with the splendid lighting facilities that they afford. Stores and business houses are lighted in a way which attracts attention, and provides a splendid advertisement for the streets using them as well as the city. The two standards in front of the Kentucky Utilities Company's office here on Second street when lighted up each evening, show what may be expected when the system is installed up and down Main street.

London, Oct. 4.—Premier Lloyd George's appeal for the formation of "citizen guards" throughout the country in the emergency caused by the railroad strike and its possible spread has met with prompt response on all sides. HIGH SCHOOL TO MOVE TO ITS NEW HOME

Monday Will Be "Leaving Day" At Caldwell—Madison High Will Begin Work

Monday October 6th will be "Leaving Day" at the Caldwell High School. Caldwell High School has been an institution in the city's life for years. The 10:30 a. m. chimes will ring out its life and ring in the life of the new Madison High School. While Caldwell goes into history as a high school yet the institution is not dead. It will live in the hearts of those who drank wisdom at its fountains. It will be remembered by those who were awakened in its halls by the call of ambition. Its memory will always be sweet to those who look back with pleasure upon the romances of youth.

As Caldwell retires from the stage, Madison makes her debut. While many will experience a tinge of regret at the passing of Caldwell, yet it is to be hoped that the birth of the Madison High School will mean the dawn of a much greater day in the educational life of Richmond. It is to be hoped that Madison will not only be a high school for Richmond, but for all of Madison county and that the boys and girls of the remotest districts will flock to it as doves to their windows. It is to be hoped that its courses of study will meet the demands of the age; that they will be practical and will offer knowledge that will function in the adult lives of the pupils; that the courses of study will keep in tune with the changing conditions of modern life. It is to be hoped that the Madison High School will be known for its splendid high school spirit; that the high school life will be attractive and pleasant; that the literary societies will encourage literary attainment; that the new gymnasium and the spacious athletic field will offer wholesome and stimulating athletics. Vive la Madison High School. May it grow and prosper, blossom and fructify and be the mecca of delight for the youth of our homes.

Monday morning at 10:30 at the Caldwell building the formal leave, taking of the old quarters will be held. High school students will represent their classes with speeches on this occasion. Mr. Robert Malloy will speak for the Seniors. The Juniors will be represented by Miss Ray Stocker. All will be delighted to listen to Mr. Lafon Wilson, who is the chosen one for the Sophomores. The Freshmen will have Miss Louise Spears as their representative. The public is cordially invited and requested to be present on this occasion. Principal D. H. Starus will have something to say that will be especially interesting to the patrons. At 10:30 Monday morning at Caldwell.—Contributed.

BIG CONGREGATION HEARS DR. VIOLETTE

The largest audience yet to hear Dr. Violette assembled in the Christian church last night as he discussed "The Worst Thing in Richmond." Mr. Violette interpreted his theme by holding that sin was the worst thing in Richmond. The message was a heart searching one and was heard by the large audience with the greatest interest. The congregation singing, led by the chorus under Mr. Violette's direction and featured by a solo from Miss Metcalf reached its high water mark last night.

Tonight the subject will be, "Why I Accepted Christ as Divine." The Sunday services will be at 10:45 at which time Dr. Violette will speak on "The Unchanging Christ" and at 7:30 when he will use as his subject, "What is a Christian?" At 9:45 he will speak to Turley's men and at 10:10 to the whole Bible school on some feature of Palestine Travel. This address will come at the close of the Promotion Day services in the school in which the annual advancement of students will take place.

There were many visitors in the audience from other towns and sections of the county. A large number of out of town people are expected to be in the audience tomorrow and the meeting will probably reach its high water mark in the Sunday services.

Caught With Gun On

In county court Labe Pendleton, of the Big Hill section, entered a plea of guilty to a warrant charging him with carrying concealed a deadly weapon. He was fined \$50 and given ten days in jail. He asked for a new trial on the ground that he was not represented by counsel and is under \$100 bond.

Friends will regret to learn of the illness of Mrs. K. G. Wiggins, who has been confined to her room for the past few days. Her condition at noon today was somewhat better.

During the past two weeks articles have been appearing on the proposed "White Way." A positive effort will be made at this time and a decision reached this week, whether or not we are to have this modern means of illuminating our business section. Benefits to be derived from "A Great White Way" lighting have been given in the preceding articles and in this last article we urge every citizen to do his utmost when called upon next week by the committee appointed to raise funds.

During the recent Liberty Loan campaign Richmond never failed to reach her quota assigned. Now, on this drive whereby Richmond is to receive the full benefits from the funds raised, we must not fail. The committee will call upon you between October 1st and 3rd and on October 3rd an announcement will be made whether we have succeeded or failed.

The Super-Six Motor is Exclusively Hudson's

It Adds 72 per cent to Power Percent—Minimizing Vibration and Increasing Car Life—No Other Car Can Use it For Hudson Created and Holds the Super-Six Patent

The automobile issues which stand uppermost today are the same which four years ago made Hudson the largest selling fine car. They have kept it in that position ever since.

Let us not confuse them.

It is not speed, not power, not hill climbing ability—though Hudson holds those stock car records.

It is the fact that those records were won through endurance, made possible by Hudson, known as the Super-Six.

And those records, after many attempts to match them, still belong to Hudson, because equal endurance has not been established in any other car.

Is Only Supreme Feature
Ever Controlled by One Maker

Never before has any one car held all the worth while records. Never has one car proved supreme in speed, in hill climbing, in flexibility and in endurance.

Never before has a major feature been controlled by a single maker. The Super-Six by a single invention, increased motor power 72 per cent. No other cars has, or can have, until Hudson wills, a motor like the Super-Six. What maker can approach it in things that count for most? Until Hudson consents to its use by others men who want such a great car must choose the Super-Six.

Improved Through Four Years
of Experience

Since the first Super-Six many advancements have been made in the Hudson. But the principle by which it attained its supremacy remains unchanged. Refinements have been added as the result of experience. The things which Hudson owners had said would make the Super-Six the finest car that is built, are included in the present Hudson.

What car has had equal opportunity to do these things? Before the present model was offered, 60,000 owners of earlier Super-Sixes were influencing its development.

Such a Car
Is Always in Demand

Men have long known that to get a Hudson it is necessary to make reservations in advance. On some models and in some seasons thousands have waited a month or more.

No man can drive a Hudson without feeling a growing respect for it. Old models are retained by owners with an affection equal to that extended toward a faithful servant.

Super-Six owners know the real meaning of motor car satisfaction. Their needs are fulfilled.

If you plan to get a Hudson this year or next, now is not too early to speak for it.

Why People Buy Rat-Snap in Preference to Rat Poison.

(1) RAT-SNAP absolutely kills rats and mice. (2) What it doesn't kill it scares away. (3) Rat killed with RAT-SNAP leave no smell, they dry up inside. (4) Made in cakes, no mixing with other food. (5) Cats or dogs won't touch it. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Douglas & Simmons, Stockton & Son, Richmond; Hervey & Woods, and R. H. Metcalf, Paint Lick, Ky. 242-tf
